Due to a lack of a quorum, the One Stop Partner Committee meeting could not be held. However, the members who were in attendance discussed at length the Resource Sharing Agreement and Cost Allocation Plan which will become part of the Memorandum of Understanding (MOU) for Program Year 2013.

Nancy Curran, Ottawa Office Manager with the IL Department of Employment Security discussed the Partner's share of the rent with members. It was noted that more detail was needed.

It was noted that the next One Stop Partner Committee meeting is scheduled for December 19, 2013 at the Sterling IDES Office.
